Pro-Line Injector and Glow Plug Dismantling Aid

Description

Heavy-duty solvent for seized injectors, glow and spark plugs. Undermines accumulated dirt and corrosion and enables easy removal. Outstanding cleaning properties allow stubborn oil residues, resinification and encrusted dirt to be removed easily.

Properties

- dissolves rust
- releases seized up and rusted on parts
- easily dissolves stubborn dirt
- problem-free disassembly possible

Technical data

Color / appearance	yellow
Form	liquid, aerosol
Base	Mixture of solvents
Odor	aromatic

Areas of application

For dismantling seized injectors, glow and spark plugs.

⚠ WARNING: This product can expose you to chemicals including ethylbenzene, which is known to the State of California to cause cancer and methanol, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

Application

Shake can vigorously before use. Thoroughly spray the carbon deposits to be removed and allow to take effect for 15 – 30 minutes. Then remove accumulated dirt and disassemble injectors, glow or spark plugs. With heavy dirt, allow the solvent to work overnight. If they are heavily corroded, loosen the injectors first with Pro-Line Rapid Rust Solvent (part no. 7390). For use on plastics: Test material compatibility in an inconspicuous place before applying.

Available pack sizes

400 ml Can aerosol	3379 DE-EN-ES-IT-PT
400 ml Can aerosol	21903 DA-EN-FI-NO-SV
