

VALVOLINE™ ALL CLIMATE NGV SAE 15W-40 ENGINE OIL

Valvoline™ All Climate NGV SAE 15W-40 is a multi-grade engine oil formulated with advanced additive technology and highly refined, premium quality basestocks that protect today's engines against undesirable deposits, contamination, and viscosity and thermal breakdown under severe service conditions. It meets the performance requirements of virtually all naturally aspirated, turbocharged and supercharged gasoline fueled passenger cars and light duty trucks.

Valvoline™ All Climate NGV SAE 15W-40 is also recommended for passenger car fueled with LPG/NGV.

ALL CLIMATE NGV ADVANTAGES

- **High Temperature Protection:** Resists breakdown in the most severe engine environments.
- **Low Temperature Protection:** Flows easily at low temperatures, reducing wear at start-up
- **High Detergency:** Fights formation of sludge and varnish deposits that reduce engine life.
- **Wear Protection:** Contains anti-wear additives that dramatically reduce engine wear.
- **Turbo Approved:** Provides excellent protection to critical turbo unit components.

PERFORMANCE LEVEL
API SL

Typical properties:

Typical Properties characteristics are based on current production. Whilst future will confirm to Valvoline specification, variations in these characteristics may occur.

Typical Characteristics	
SAE Viscosity Grade	15W-40
Kinematic Viscosity, cSt @ 100ºC	14.80
Kinematic Viscosity, cSt @ 40ºC	102.50
Viscosity Index	139
Pour Point, ºC	-9
TBN, mg KOH/g	7.1
Flash Point, COC, ºC	207
CCS @ -20 ºC, cP	5664

This product is not likely to present any significant health or safety hazards when properly used in recommended application and good standards of personal hygiene are maintained.
